### Practice overview

Dylan is a criminal practitioner who prosecutes and defends in a wide range of cases. Having trained in the CPS, he is very experienced at prosecuting and is comfortable operating in the Magistrates and Crown Court, managing numerous cases and applications on the same day, and appearing in a wide range of hearings from PTPHs to case management hearings to full trials.

Dylan welcomes instructions to represent defendants, and is able to advise pragmatically on whether a prosecution is likely to be successful or a plea which may be acceptable.

Dylan is organised, efficient and committed to a career in the criminal justice system. He is personable and works well with other lawyers in order to bring cases to a successful conclusion.
